IMPORTANT INFORMATION ABOUT USING YOUR CARD

10. Holds Upon Authorization. Transactions with some merchants - restaurants, car rental agencies, hotels, salons, mail-order companies, cruise lines and pay-at-the-pump gas stations, for example - will authorize in an amount greater than your purchase. If you do not have available funds in the amount requested in the authorization, then your transaction will be declined. If the transaction is authorized, funds in the authorized amount will be held and will not be available for other purchases. The authorized amount will be held until the transaction posts to your Account. Transaction posting can generally take up to 10 days, except for certain travel and lodging related authorizations that can take up to 21 days. In some cases, the authorization amount will be held even if you do not complete your transaction.

11. Split Transactions; Rescinded Transactions; Failure to Honor

- A. If you do not have enough money in your Account to complete a transaction, you may split your purchases between your Card and another form of payment. Tell the cashier how much you want to pay first with your Card. If you do not know your exact balance, please call customer service at 888-371-8966 for your Personalized Reloadable Card or 888-371-8901 for your Temporary Card to verify your balance prior to attempting to make a purchase. Please note, not all merchants permit this type of split transaction.
- B. If you authorize a purchase but do not make the purchase as planned, the authorized amount will be held until the authorization expires or the merchant releases the hold, which may take up to seven days.
- C. Neither we nor any other bank or business will be liable to you for failure to accept or honor the Card.

12. Preauthorized Payments

A. You are not permitted to establish preauthorized payments with your Temporary Card.

B. *Right to stop payment and procedure for doing so.* If you have preauthorized payments with your Personalized Reloadable Card, you can stop any of these payments. Here's how: Call us at 888-371-8966 or write us at P.O. Box 551667 Jacksonville, FL 32255, in time for us to receive your request three business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call.

C. *Notice of varying amounts.* If these regular payments vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.

D. *Liability for failure to stop payment of preauthorized transfer.* If you order us to stop payment three business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

13. **Returns and Refunds.** If there is a problem or dispute with a purchase of goods or services, you must address it directly with the merchant involved. Refunds and returns are subject to the merchant's policies or applicable laws. If you are entitled to a refund for any reason for goods or services obtained with your Card, you agree to accept credits to your Card in place of cash.

14. **Payment.** Each time you use your Card, the amount of the transaction will be debited from your Account. You may not be allowed to exceed the balance available in your Account by any individual or series of purchases. Nevertheless, if you make a purchase that exceeds the balance in your Account (an "overdraft"), you will be fully responsible for the amount of your purchase that exceeded the balance in your Account. We also reserve the right to automatically debit such overdrafts from current or future money deposited to your Account or any other account you have with us. In such case, you agree to be responsible for payment to us for all overdrafts.

15. **Using Your Personalized Reloadable Card in a Foreign Country.** You may not use your Temporary Card for foreign (outside the United States) transactions. You may use your Personalized Reloadable Card for retail purchases at foreign merchants and for cash withdrawals from foreign ATMs that bear either the Cirrus or the Mastercard International Incorporated ("Mastercard") Acceptance Marks. For security purposes we may block transactions in certain foreign countries. Call us at 888-371-8966 for more information. Some merchant and ATM transactions, even if you and/or the merchant or ATM are located in the United States, are considered foreign transactions under the applicable Mastercard rules, in which case we will add the "foreign fee" described below to those transactions. We do not control how these merchants, ATMs and transactions are classified for this purpose. The exchange rate in effect when the transaction is processed may differ from the rate in effect on the date of the transaction or the date of the posting of the transaction to your Account. If you use your card at a foreign merchant or foreign ATM that bears these Cirrus or Mastercard Acceptance Marks and if such transaction isn't converted into a U.S. Dollar amount prior to such transaction being submitted to Mastercard, Mastercard will convert the transaction into a U.S. Dollar amount using its currency conversion procedure. The currency conversion rate used by Mastercard to determine the transaction amount in U.S. Dollars is generally either a government mandated rate or a wholesale rate determined by Mastercard for the processing cycle in which the transaction is processed. We may assess a foreign fee, calculated as a percentage of your transaction amount. The percentage, if any, is listed on the Fee Schedule. We may assess the foreign fee on all foreign transactions, even in transactions that do not require currency to be converted.

16. **Other Terms.** Use of your Card is subject to all applicable rules and customs of any clearinghouse or other association involved in transactions. Your Card may not be used for any unlawful purpose. You agree that you will not use your Card for illegal internet-gambling or any transaction that is illegal under applicable law, or not permitted by network rules.

17. **Use by Others.** Except as described in "Contact in the Event of Loss, Theft or Unauthorized Use; Your Liability for Unauthorized Transactions" below, you are liable and responsible for all transactions, fees, and other activity with respect to the Card or Account. You may not permit another person to have access to your Card or Account. If you do provide access to your Card or Account to another person, you are liable for all transactions and fees incurred by such person. You must notify us in writing to revoke permission for any person you previously authorized to use or access your Card or Account.

18. Contact in the Event of Loss, Theft or Unauthorized Use; Your Liability for Unauthorized Transactions

A. Tell us AT ONCE if you believe your Card or PIN has been lost or stolen or if you believe an electronic fund transfer has been performed without your permission. Telephoning is the best way of notifying us and keeping your possible losses down. You may contact us by calling us toll-free at 888-371-8966 for your Personalized Reloadable Card or 888-371-8901 for your Temporary Card or by writing us at P.O. Box 551667 Jacksonville, FL 32255. If your Card has been lost or stolen, we will close your Card. For Temporary Cards you will be required to provide your name, address, Temporary Card number, the original value and transaction history.

B. *Zero Liability.* It is important to register for a Personalized Reloadable Card. We are not required to research or resolve any errors regarding your Card or Account until you have registered your card and we have verified your identity. Once you have registered for and received a Personalized Reloadable Card, you are generally protected from liability for unauthorized transactions. However, if you do not tell us within 60 days after the earlier of the date you electronically access your Account, if the transaction could be viewed in your electronic history, or the date we sent the first statement or transaction history on which the unauthorized transfer appears, you may not get back any money you lost after the 60 days if we can prove we could have stopped someone from taking the money if you had told us in time. Alternatively, we may require you to report an unauthorized transaction(s) within 120 days after the transfer or transaction allegedly in error was credited or debited to your Account.

C. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

19. Your Right to Dispute Errors

A. In case of errors or questions about your Personalized Reloadable Card, call 888-371-8966 or write to P.O. Box 551667 Jacksonville, FL 32255, as soon as you can if you think your statement, transaction history, or receipt is wrong or if you need more information about a transaction listed on the statement, transaction history, or receipt. We must allow you to report an error until 60 days after the earlier of the date you electronically

access your Account, if the error could be viewed in your electronic history, or the date we sent the FIRST written history on which the error appeared. Alternatively, we may require you to report an unauthorized transaction(s) within 120 days after the transfer or transaction allegedly in error was credited or debited to your Account. You may request a written history of your transactions at any time by calling us at 888-371-8966 or writing us at P.O. Box 551667 Jacksonville, FL 32255.

- B. You will need to tell us:
 - i. Your name and your Card number.
 - ii. The dollar amount of the suspected error.
 - iii. Approximately when the error took place.
 - iv. Describe the error or the transaction you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information.
- C. If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days after speaking with us.
- D. We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will provisionally credit your Account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your Account until the investigation is complete, although we will still investigate your complaint or question. For errors involving new Cards (open less than 30 days), point of sale, or foreign initiated transactions, we may take up to 90 days to investigate your complaint or question. For new Cards, we may take up to 20 business days to provisionally credit your Card for the amount you think is in error. We will tell you the results within three business days after completing our investigation.
- E. If we decide there was no error, we will send you a written explanation within three business days after we finish our investigation. You may ask for copies of the documents used in our investigation. If we have issued provisional credit to you and there is no error, the amount of that credit will be subtracted from your Card. We will give you advance notice of the amount and date of the debit against your Card for that credit.
- F. If you need more information about our error-resolution procedures, call us at the telephone number shown above.

20. Our Liability. If we do not complete a load or reload to, or transaction from the Card on time or in the correct amount according to the terms of this Agreement, we will be responsible for your losses or damages to the extent required by applicable federal law. However, there are some exceptions. We will not be liable, for instance:

- i. If, through no fault of ours, you do not have enough money in your Account to make the transfer.
- ii. If the automated teller machine where you are making the transfer does not have enough cash.
- iii. If the terminal system was not functioning properly and you were aware of that when you started the transfer.
- iv. If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
- v. There may be other exceptions stated in our agreement with you.

Either you or we may elect in writing, and without the consent of the other, to arbitrate all Claims covered by this provision.

B. Claims Covered By Arbitration

Claims subject to our agreement to arbitrate shall include all of the following: (1) Claims related to or arising out of this account Agreement, or any prior or later versions of this account Agreement as well as any changes to the terms of this account Agreement; (2) Claims related to or arising out of any aspect of any relationship between us that is governed by this account Agreement, whether based in contract, tort, statute, regulation, or any other legal theory; and (3) Claims that relate to the construction, scope, applicability, or enforceability of this arbitration provision. Claims include Claims that arose before we entered into this account Agreement (such as Claims related to advertising) and after termination of this account Agreement.

C. Claims Not Covered By Arbitration

Claims subject to our agreement to arbitrate shall not include any Claim you file in a small claims court, so long as the Claim remains in such court and advances only an individual claim for relief.

D. Commencing an Arbitration

The party initiating arbitration must choose one of the following arbitration forums to administer the arbitration:

- The American Arbitration Association ("AAA") under AAA's Consumer Arbitration Rules, except as modified by this account Agreement. AAA's Rules may be obtained from www.adr.org or 1-800-778-7879 (toll-free).
- JAMS/Endispute ("JAMS") under JAMS' Comprehensive Arbitration Rules & Procedures or Streamlined Arbitration Rules & Procedures, including JAMS' Consumer Minimum Standards, except as modified by this account Agreement. JAMS' Class Action Procedures shall not apply. JAMS' rules may be obtained from www.jamsadr.com or 1-800-352-5267 (toll free).

If the chosen arbitration forum is for any reason unable to serve, then the parties may agree to a comparable substitute organization. If the parties are unable to agree, then a court of competent jurisdiction shall appoint a substitute organization.

E. Arbitration Procedure

The arbitration shall be decided by a single neutral arbitrator selected in accordance with AAA's or JAMS' rules, as applicable. The arbitrator will decide the dispute in accordance with the terms of our account Agreement and applicable substantive law, including the Federal Arbitration Act and applicable statutes of limitation. The arbitrator shall honor claims of privilege recognized at law. The arbitrator may award damages or other relief (including injunctive relief) available to the individual claimant under applicable law. The arbitrator will not have the authority to award relief to, or against, any person or entity who is not a party to the arbitration. The arbitrator will take reasonable steps to protect customer account information and other proprietary or confidential information. Any arbitration hearing shall take place in the federal judicial district that includes your home address, unless you and we agree in writing to a different location or the arbitrator so orders. If all Claims are for \$10,000 or less, you may choose whether the arbitration will be conducted solely on the basis of documents submitted to the arbitrator, through a telephonic hearing, or by an in-person hearing in accordance with AAA's or JAMS' rules.

At your or our request, the arbitrator will issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the award is based. The arbitrator's award shall be final and binding, subject to judicial review only to the extent allowed under the Federal Arbitration Act. You or we may seek to have the award vacated or confirmed and entered as a judgment in any court having jurisdiction.

F. No Class Action or Joinder of Parties

You and we agree that no class action, private attorney general, or other representative claims may be pursued in arbitration, nor may such action be pursued in court if either you or we elect arbitration. Unless mutually agreed to by you and us, claims of two or more persons may not be joined, consolidated, or otherwise brought together in the same arbitration (unless those persons are joint account owners or beneficiaries on your account and/or related accounts, or parties to a single transaction or related transaction). If this specific paragraph is determined by the arbitrator to be unenforceable, then this entire provision shall be null and void.

G. Arbitration Costs

Unless the applicable arbitration rules at the time of filing a Claim are more favorable to you, we will advance (i) all arbitration costs in an arbitration that we commence, and (ii) the first \$2,500 in arbitration filing, administration, and arbitrator's fees in an arbitration that you commence. To the extent allowed by applicable law and our agreements, the arbitrator may award arbitration costs and attorneys' fees to the prevailing party.

H. Applicable Law

You and we agree that you and we are participating in transactions that involve interstate commerce and that this provision and any resulting arbitration are governed by the Federal Arbitration Act. To the extent state law applies, the laws of the state governing your account relationship apply. No state statute pertaining to arbitration shall apply.

I. Severability

Except as this provision otherwise provides, if any part of this provision is deemed to be invalid or unenforceable by the arbitrator, that part will be severed from the remainder of this provision and the remainder of this provision will be enforced.

We reserve the right to change the following Fee Schedule and Transaction Limitations in our sole discretion and we will provide written notification to you of such change to the extent required by applicable law.
