Generally, funds added through reload networks should be available no later than the next business day, but timing and availability of funds added through reload networks depend on the reload network completing the transaction.

CARD FEES AND TRANSACTION LIMITS

6. Fees and Transaction Limits; Third Party Fees.

Under some situations, you will be charged fees for using your Card or Account. We will charge you and you agree to pay the fees and charges (collectively "Fees") described on the Fee Schedule included with this Agreement. Any time your Account balance is less than the amount of the fee being assessed, the balance of your Account will be applied to the fee amount. Fees are subject to change from time to time. Fees will be deducted automatically from the Account balance until your Account balance reaches zero. Available transaction types and applicable transaction limitations are displayed in the transaction limits table ("Transaction Limits") under the Fee Schedule in this Agreement. For security reasons there may be additional limits on the amount, number or type of transactions you can make using the Card or Account. IMPORTANT INFORMATION ABOUT USING YOUR CARD

10. Holds Upon Authorization. Transactions with some merchants - restaurants, car rental agencies, hotels, salons, mail-order companies, cruise lines and pay-at-the-pump gas stations, for example - will authorize in an amount greater than your purchase. If you do not have available funds in the amount requested in the authorization, then your transaction will be declined. If the transaction is authorized, funds in the authorized amount will be held and will not be available for other purchases. The authorized amount will be held until the transaction posts to your Account. Transaction posting can generally take up to 10 days, except for certain travel and lodging related authorizations that can take up to 21 days. In some cases, the authorization amount will be held even if you do not complete your transaction.

11. Split Transactions; Rescinded Transactions; Failure to Honor

A. If you do not have enough money in your Account to complete a transaction, you may split your purchases between your Card and another form of payment. Tell the cashier how much you want to pay first with your Card. If you do not know your exact balance, please call customer service at 888-371-8966 for your Personalized Reloadable Card or 888-371-8901 for your Temporary Card to verify your balance prior to attempting to make a purchase. Please note, not all merchants permit this type of split transaction.

B. If you authorize a purchase but do not make the purchase as planned, the authorized amount will be held until the authorization expires or the merchant releases the hold, which may take up to seven days.

C. Neither we nor any other bank or business will be liable to you for failure to accept or honor the Card.

12. Preauthorized Payments

A. You are not permitted to establish preauthorized payments with your Temporary Card.

B. Right to stop payment and procedure for doing so. If you have preauthorized payments with your Personalized Reloadable Card, you can stop any of these payments. Here's how: Call us at 888-371-8966 or write us at P.O. Box 551667 Jacksonville, FL 32255, in time for us to receive your request three business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call.

C. Notice of varying amounts. If these regular payments vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.

D. Liability for failure to stop payment of preauthorized transfer. If you order us to stop payment three business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

13. Returns and Refunds. If there is a problem or dispute with a purchase of goods or services, you must address it directly with the merchant involved. Refunds and returns are subject to the merchant's policies or applicable laws. If you are entitled to a refund for any reason for goods or services obtained with your Card, you agree to accept credits to your Card in place of cash.

14. Payment. Each time you use your Card, the amount of the transaction will be debited from your Account. You may not be allowed to exceed the balance available in your Account by any individual or series of purchases. Nevertheless, if you make a purchase that exceeds the balance in your Account (an "overdraft"), you will be fully responsible for the amount of your purchase that exceeded the balance in your Account. We also reserve the right to automatically debit such overdrafts from current or future money deposited to your Account or any other account you have with us. In such case, you agree to be responsible for payment to us for all overdrafts.

15. Using Your Personalized Reloadable Card in a Foreign Country

You may not use your Temporary Card for foreign (outside the United States) transactions. You may use your Personalized Reloadable Card for retail purchases at foreign merchants and for cash withdrawals from foreign ATMs that bear either the PLUS System or the Visa logo. For security purposes we may block transactions in certain foreign countries. Call us at 888-371-8966 for more information. Some merchant and ATM transactions, even if you and/or the merchant or ATM are located in the United States, are considered foreign transactions under the applicable Visa rules, in which case we will add the "foreign fee" described below to those transactions. We do not control how these merchants, ATMs and transactions are classified for this purpose. The exchange rate in effect when the transaction is processed may differ from the rate in effect on the date of the transaction or the date of the posting of the transaction to your Account. If you use your Card at a merchant or an ATM that bears the Visa logo (and no PLUS System logo), the transaction will be processed through the Visa system and will be converted into U.S. Dollars according to the applicable rules established by Visa from time to time. For transactions processed through Visa, the foreign currency transaction will be converted to U.S. Dollars by multiplying the amount of the foreign currency times (a) a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives, or (b) the government-mandated rate in effect for the applicable central processing date. If you use your Card at an ATM that bears only the PLUS System logo (and no Visa logo), the transaction will be processed through the PLUS System and will be converted into U.S. Dollars at the exchange rate established, from time to time, by the operator of that ATM. If you use your Card at an ATM that bears both the Visa and PLUS System logos, the ATM operator will determine whether to send your transaction over the Visa or PLUS System network using such network's respective currency conversion rules then in effect (as explained above). We may assess a foreign fee, calculated as a percentage of your transaction amount. The percentage, if any, is listed on the Fee Schedule. We may assess the foreign fee on all foreign transactions, even in transactions that do not require currency to be converted.

16. Other Terms. Use of your Card is subject to all applicable rules and customs of any clearinghouse or other association involved in transactions. Your Card may not be used for any unlawful purpose. You agree that you will not use your Card for illegal internet-gambling or any transaction that is illegal under applicable law, or not permitted by network rules.

17. Use by Others. Except as described in "Contact in the Event of Loss, Theft or Unauthorized Use; Your Liability for Unauthorized Transactions" below, you are liable and responsible for all transactions, fees, and other activity with respect to the Card or Account. You may not permit another person to have access to your Card or Account. If you do provide access to your Card or Account to another person, you are liable for all transactions and fees incurred by such person. You must notify us in writing to revoke permission for any person you previously authorized to use or access your Card or Account.

18. Contact in the Event of Loss, Theft or Unauthorized Use; Your Liability for Unauthorized Transactions

A. Tell us AT ONCE if you believe your Card or PIN has been lost or stolen or if you believe an electronic fund transfer has been performed without your permission. Telephoning is the best way of notifying us and keeping your possible losses down. You may contact us by calling us toll-free at 888-371-8966 for your Personalized Reloadable Card or 888-371-8901 for your Temporary Card or by writing us at P.O. Box 551667 Jacksonville, FL 32255. If your Card has been lost or stolen, we will close your Card. For Temporary Cards you will be required to provide your name, address, Temporary Card number, the original value and transaction history.

B. Zero Liability. It is important to register for a Personalized Reloadable Card. We are not required to research or resolve any errors regarding your Card or Account until you have registered your card and we have verified your identity. Once you have registered for and received a Personalized Reloadable Card, you are generally protected from liability for unauthorized transactions. However, if you do not tell us within 60 days after the earlier of the date you electronically access your Account, if the transaction could be viewed in your electronic history, or the date we sent the first statement or transaction history on which the unauthorized transfer appears, you may not get back any money you lost after the 60 days if we can prove we could have stopped someone from taking the money if you had told us in time. Alternatively, we may require you to report an unauthorized transaction(s) within 120 days after the transfer or transaction allegedly in error was credited or debited to your Account.

C. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

19. Your Right to Dispute Errors

A. In case of errors or questions about your Personalized Reloadable Card, call 888-371-8966 or write to P.O. Box 551667 Jacksonville, FL 32255, as soon as you can if you think your statement, transaction history, or receipt is wrong or if you need more information about a transaction listed on the statement, transaction history, or receipt. We must allow you to report an error until 60 days after the earlier of the date you electronically access your Account, if the error could be viewed in your electronic history, or the date we sent the FIRST written history on which the error appeared. Alternatively, we may require you to report an unauthorized transaction(s) within 120 days after the transfer or transaction allegedly in error was credited or debited to your Account. You may request a written history of your transactions at any time by calling us at 888-371-8966 or writing us at P.O. Box 551667 Jacksonville, FL 32255.

B. You will need to tell us:

- i. Your name and your Card number.
- ii. The dollar amount of the suspected error.
- iii. Approximately when the error took place.
- iv. Describe the error or the transaction you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information.

C. If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days after speaking with us.

D. We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will provisionally credit your Account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your Account until the investigation is complete, although we will still investigate your complaint or question. For errors involving new Cards (open less than 30 days), point of sale, or foreign initiated transactions, we may take up to 90 days to investigate your complaint or question. For new Cards, we may take up to 20 business days to provisionally credit your Card for the amount you think is in error. We will tell you the results within three business days after completing our investigation.

E. If we decide there was no error, we will send you a written explanation within three business days after we finish our investigation. You may ask for copies of the documents used in our investigation. If we have issued provisional credit to you and there is no error, the amount of that credit will be subtracted from your Card. We will give you advance notice of the amount and date of the debit against your Card for that credit.

F. If you need more information about our error-resolution procedures, call us at the telephone number shown above.

20. Our Liability. If we do not complete a load or reload to, or transaction from the Card on time or in the correct amount according to

the terms of this Agreement, we will be responsible for your losses or damages to the extent required by applicable federal law. However, there are some exceptions. We will not be liable, for instance:

- i. If, through no fault of ours, you do not have enough money in your Account to make the transfer.
- ii. If the automated teller machine where you are making the transfer does not have enough cash.
- iii. If the terminal system was not functioning properly and you were aware of that when you started the transfer.
- iv. If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
- v. There may be other exceptions stated in our agreement with you.

OUR RIGHTS UNDER THE AGREEMENT

21. Amendment, Termination and Other Rights

The Card will expire on the expiration date on the Card unless prohibited by federal law. Upon termination or expiration, we will stop accepting reloads to and/or transactions from the Card and we will decline to authorize a transaction with the Card. If you cancel or we terminate the Card, or it expires and we do not provide a substitute or replacement card, upon your request and our verification of your identity (that may include providing proof of purchase for Temporary Cards) we will return to you any value remaining on the Card unless we are prohibited by law from doing so, less any fees, service charges, claims, set-offs, or other amounts you owe us, if applicable. If any provision of this section is ruled invalid or unenforceable, this section shall be rendered null and void in its entirety.

B. Arbitration Rules: In the event of a dispute relating to or arising out of your account or this Agreement, you or we may elect to arbitrate the dispute. At your election, the arbitration shall be conducted by either JAMS or the American Arbitration Association ("AAA") (or, if neither of these arbitration organizations will serve, then a comparable substitute arbitration organization agreed upon by the parties or, if the parties cannot agree, chosen by a court of competent jurisdiction). If JAMS is selected, the arbitration will be handled according to its Streamlined Arbitration Rules unless the Claim is for \$250,000.00 or more, in which case its Comprehensive Arbitration Rules shall apply. If the AAA is selected, the arbitration will be handled according to its Commercial Arbitration Rules. You may obtain rules and forms for JAMS by contacting JAMS at 1.800.352.5267 or www.jamsadr.com and for the AAA by contacting the AAA at 1.800.778.7879 or www.adr.org. Any arbitration hearing that you attend will take place in the federal judicial district in which you reside. Without regard to which arbitration body is selected to resolve the dispute, any disputes between you and us as to whether your claim falls within the scope of this arbitration clause shall be determined solely by the arbitrator, and not by any court.

C. Arbitration Process: Arbitration involves the review and resolution of the dispute by a neutral party. The arbitrator's decision will generally be final and binding. At your request, for claims made to consumer accounts, we will advance your filing and hearing fees for any claim you may file against us; the arbitrator will decide whether we or you will ultimately be responsible for those fees. Arbitration can only decide our or your dispute and cannot consolidate or join claims of other persons who may have similar claims. There will be no authority or right for any disputes to be arbitrated on a class action basis.

D. Effects of Arbitration: If either of us chooses arbitration, neither of us will have the right to litigate the dispute in court or have a jury trial. In addition, you will not have the right to participate as a representative or member of any class of claimants, or in any other form of representative capacity that seeks monetary or other relief beyond your individual circumstances, pertaining to any dispute subject to arbitration. There shall be no authority for any claims to be arbitrated on a class action or any other form of representative basis. Arbitration can only decide your or our claim, and you may not consolidate or join the claims of other persons who may have similar claims, including without limitation claims for public injunctive or other equitable relief as to our other

customers or members of the general public. Any such monetary, injunctive, or other equitable relief shall be limited solely to your accounts, agreements, and transaction with us. Notwithstanding the foregoing, any question as to the validity and effect of this class action waiver shall be decided solely by a court of competent jurisdiction, and not by the arbitrator.

We reserve the right to change the following Fee Schedule and Transaction Limitations in our sole discretion and we will provide written notification to you of such change to the extent required by applicable law.
